

ALMA MATER

On our city's eastern border,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.

Chorus
Forward, ever be our watchword,
Conquer and prevail,
Hail to thee, our alma Mater,
C. C. H. S. all hail!

Cherished by our sons and daughters
Memories sweet shall thong
Round our hearts, our Alma Mater
As we sing this song.

FOREWORD

May this annual in the years to come prove one of your most cherished possessions, recalling pleasant memories and happy associations of the past four years. This year book was published to record our activities and achievements, and we trust it will prove both an inspiration and guidance to all future graduating classes of DeSoto County High School.

The Class of '41 wishes to express their appreciation to the faculty and members of the student body who have cooperated with us, making the publication of this year book possible.

The Senior Class of 1941.

DEDICATION

To our Flag and the Republic for which
it stands - in partial return for the
freedom and opportunities it offers the
Youth of today. May it ever wave over a
great and free nation.

"God bless America, land that I love."

CLASS HISTORY

Entering in 1937 proudly as a group of 43 green Freshmen, we have courageously advanced thru the various stages of our four years of High School, finally reaching the greatly desired rank of Seniors. During this time many changes have been made in our personnel, - some dropping out, some transferring to other schools, and some newcomers joining us.

Early in our High School career our class was organized, Maxine Vise being elected president of the Freshmen Class, Hugh Earl Wheat ruled as president of our group of 31 Sophomores. J.M.Wheat was elected president of the Junior Class by the 22 returning for three years, and was reelected for his endorsement term by the 21 entering our Senior Class, which is now only 17 strong. All these officers have performed their duties in a creditable manner.

Following the now four year old tradition of editing the annual, the class started to work slowly but surely. The Staff with the supervision of our Sponsor, Mrs. Smith, has set out to publish the best Yearbook ever published by this school.

While we are quite proud of the collective and individual achievements of our class, we make no claim to superiority, and only hope that we have played well our part in this drama of D.C.M.S. You will miss us for while; but there will be others to take our places. But we shall never forget, for nothing can take the place of the four years of joy and sorrow, accomplishments and arguments, associations and work. As you read this record in the years to come, please remember our high school days are not a path of flowers, because you know every rose must have its thorn. But we sincerely hope that you will bear with us and grant a small portion of your memory to the Class of '41.

CLASS WILL

We, the Class of '41, some slightly erratic, but the majority sound of mind, on this 2nd day of May, in the year 1941 do declare this writing to be our last will and testament, hereby revoking and making void all other testimonial writings heretofore made by us. Do hereby will and bequeath, all property, real and personal, of which we the testators are at this time possessed to be bestowed as follows:

To Wit:

J.W.West's athletic ability to Coach West to deal out to future athletes of D. C. H. S as he sees best. Carris Bell's melodious voice to the prospective Glee Club. Lorain's smiles to Eugene McPeak. Naomi's basketball ability to Virginia Jones. Wilma's quaintness to Marjorie and Mary Johnson. Louise's pleasant personality to all boys. Mary Alice's ability to get a man to all girls. Jim Wyly's ability to remember dates to Miss Fyke. Thomas' magic to R.P. Mama's doglatin language to Margaret Yarbro. Josephine's ability to talk to Paula Simmons. Mary's frankness to Lorena Tillman. Mary Ball's method of getting what she wants to Trudell. Pearl's giggles to Dorothy Keaton. Cilla's method of having so many girls to Warner. Paul Tolley's ability to win an argument to James Earl. Sonney's and Rubya's stubbornness to Ceda and Barbara. To the faculty in years to come a new frame of mind, one of peace. To the Junior Class as a whole we leave our good examples, to be followed to the Masters. To old D. C. H. S. we leave our tears in appreciation for what it has meant to us, for the knowledge obtained, and for the happy associations with our fellow classmates and friends during the past four years. Our best wishes go with you always.

JUNIOR-SENIOR BANQUET

"THE TAKE-OFF"

April Ninth

Marjorie Linton, president of the junior class, was toastmaster at a patriotic banquet in the library, which was beautifully decorated with red, white, and blue streamers, American flags, and balloons. Small flags on the place cards made favors for the guests. Red, white, and blue streamers down the center of the tables with red and white bouquets further carried out the patriotic motif. J.W. West, president of the senior class, responded to the junior welcome. Supt. C. A. Palmer and Mr. Swett were the principal speakers.

The loss of Blount, star wingback, about mid-season and Wheat in the latter part of the season placed our team at a great disadvantage. But against these odds our boys showed a good fighting spirit and came thru with not so bad a record after all.

To climax the season the boys were entertained with a banquet, at which the following players were presented letters: Wheat, West, Hayes, McCorkle, Blount, Lacy, Tolley, Long, T. Smith, McPeak, Barry, E. White, B. Smith, and Linton.

The season marked Coach West's first year as coach of a football team. We wish for him and his team much success in the future.

From the score book we find our basket ball season not so successful as we should like. But considering that our gymnasium has been under construction for the last two years and that our teams are practically new, we feel better; and we are expecting great things next year. We are happy to have both a boy and a girl on the Thirteenth District All Star Team, - namely, J.W. West and Maezi Bright.
